BGSU® Firelands

BGSU Firelands – Within Your Reach

Applying for Admission

It's easy to apply to BGSU Firelands. Complete the application in this packet or go to www.firelands.bgsu.edu and click on Apply Now. The sooner you apply, the sooner you'll be able to start planning for a great future at BGSU Firelands.

Freshmen

Freshmen are defined as those who have graduated from a secondary school. Candidates who earned college credit before high school graduation or attempted less than 12 hours after high school, are considered freshmen with advanced standing and should have their college transcripts sent to the Office of Admissions. High school students are encouraged to apply for admission beginning April 15 of their junior year.

Transfer Students

Students who have attempted 12 or more hours, excluding remedial or developmental courses since high school, at a college or university other than Bowling Green State University, are considered transfer applicants. Transfer students must have a minimum accumulative grade point average (GPA), among all schools, of 2.0 or better. Students whose GPA does not meet this minimum requirement must either return to their previous institution and raise the grade point average or not attend any college for the period of one academic year.

Students who have earned more than 30 semester hours or 45 quarter hours of coursework at a previous institution(s), will not be required to provide a copy of a high school transcript.

High School Equivalency

Students who have earned high school equivalency through the General Educational Development (GED) testing program, should send a copy of the GED Certificate and scores to the Office of Admissions along with a copy of a high school transcript.

Special Admissions Categories

International students should contact the International Programs Office at BGSU, 419-372-2247, for information on requirements and application procedures.

Guest students who wish to take classes at BGSU Firelands but do not plan to seek a degree can attend as guest students. Registration for guest students does not require application to BGSU and is arranged by the Office of Registration and Records.

Foreign Language Requirement

Admission to Bowling Green State University includes a requirement for a language other than English. The foreign language requirement applies only to students seeking a baccalaureate degree. The requirement is typically satisfied through completion of two units of the same language other than English in high school.

If this requirement is not fulfilled at the time of admission to the University, it may be satisfied in one of two ways.

- For those students who have not completed study of a language other than English in high school, satisfactory completion of two semesters of the same language (other than English) at the university level.
- For students who have acquired a language other than English through experience (e.g., heritage speakers) or who have learned it through prior study (e.g., classical language in a foreign school), credit by examination may be used to fulfill this admission requirement.

The following conditions and stipulations also apply:

- Students who have a documented (through Disabilities Services) learning disability in acquisition of a new language may substitute courses taught in English from BGSU's existing list of acceptable substitute courses.
- American Sign Language will fulfill this admission requirement.
- Computer programming languages will not fulfill this admission requirement.
- The Foreign Language Admission Requirement will apply to transfer students who have completed fewer than 30 semester hours of credit-bearing, post-secondary courses but will not apply to those students who have completed 30 or more semester hours of credit-bearing, post-secondary courses at BGSU Firelands or at another college or university (as per the Transfer Students policy).

BGNet/MyBGSU Accounts

Once admitted you will receive information about setting up BGNet email and MyBGSU Web portal accounts. You must activate your accounts to receive awards and financial aid application updates.

Housing

There are abundant housing opportunities in Huron and the surrounding areas. In addition, bus service is available for Erie County residents from the Sandusky Transit System. Call 419-627-0740 between 8 a.m. and 4 p.m. for schedules and reservations. Public bus service may be available from other areas as well. BGSU Firelands does not offer on-campus housing.

Ohio Residency

It is the student's responsibility to indicate the proper state of residence at the time of registration. Students with questions should contact the Office of Registration and Records 419-433-5560 or 1-800-322-4787. In some cases, the questions may be presented to the Residence Status Review Committee for official action.

Application Process

1. Complete the attached application and return to BGSU Firelands (application fee of \$50) or apply online at **www.firelands.bgsu.edu** (online application fee of \$45).
2. Submit an official high school transcript, showing at least sixth semester GPA on a 4.0 scale (waived if earned more than 30 semester or 45 quarter hours of coursework from a college or university other than Bowling Green State University after graduation).*
3. Students with previous college work must submit official transcripts from all colleges including unaccredited colleges.*
4. Submit copy of GED if received. *
5. Submit ACT or SAT test results, if students completed secondary education through an alternative program such as home schooling. Home schooling through a regionally accredited program will not require the ACT, SAT or GED. Home schooling through an unaccredited program will require either a 21 on the ACT or 1,000 on the SAT or successful completion of the GED.
6. Students whose native language is not English must take the TOEFL test or the Michigan Test of English language proficiency. This is required of international students issued immigrant visas, international students transferring from another American college or university, those (with English as a foreign language) from U.S. territories such as Puerto Rico and any other U.S. citizen or noncitizen whose native language is not English.
7. Students who earned Advanced Placement before enrolling at BGSU Firelands should have their scores sent to BGSU's Office of Registration and Records, 110 Administration Bldg., Bowling Green, OH 43403-0130. Credit for the College Level Examination (CLEP) will be granted through the Office of Continuing & Extended Education.

* Personal copies of official transcripts will be evaluated for acceptability. If deemed unacceptable, students must provide official copies sent directly from the school. All Admission credentials submitted to the Office of Admissions become the property of Bowling Green State University and cannot be returned.

Deadlines for 2012-2013 Application Materials

Application

Spring 2012	January 2, 2012
Summer 2012	May 4, 2012
Fall 2012	August 3, 2012
Spring 2013	January 2, 2013

Credentials

Spring 2012	January 6, 2012
Summer 2012	May 11, 2012
Fall 2012	August 17, 2012
Spring 2013	January 4, 2013

Apply online at www.firelands.bgsu.edu.

A pay later option is available to those who do not have the ability to pay the application fee online.

Programs & Majors

Major Areas of Study

BGSU Firelands offers eight bachelor's degrees, 15 associate degrees representing 22 areas of study, and four certificate programs. Associate degrees are divided into two general categories: career-oriented technical majors that prepare students for immediate employment, and transfer programs which are designed to provide freshman- and sophomore-level course work leading to entry into bachelor's degree programs at BGSU or other colleges and universities.

Please review the following list of program codes and list on your application the major and program code of your choice. If it is your intention to go on to main campus after two years, you should list either the Associate of Art or Associate of Science as your major choice.

Major not determined

Undecided (F100)

One-Year Certificate Programs

Administrative Office Systems–Area of concentration:

Business Application Specialist (F233)

Business Management Technology–Areas of concentration:

Bookkeeping (F234)

Management and Supervision (F235)

Small Business Management (F236)

Nursing (RN/BSN Completion of Program in consortium with University of Toledo Health

Science Campus) (F205) ***

Technology, Visual Communication Technology (F208) ***

* These programs are selective admissions. After students are admitted to a pre-program based on admissions requirements, they go through an additional application process before they are officially admitted to the major.

** This is a student-developed combination of courses with a specific area of concentration not available in other degree programs. Applicant's plan of study must be approved prior to admission to the major.

*** These programs require students to pass a set of coursework, usually within the first two years of study, before they are officially admitted to the major.

+ Students applying to Firelands Regional Medical Center School of Nursing diploma program should choose the Associate of Science program as their major at BGSU Firelands. Students should contact Firelands Regional Medical Center School of Nursing for additional admission information and requirements.

BGSU Firelands

2012-2013 Application for Undergraduate Admission

FOR OFFICE USE ONLY

CPCF	AF	PGPA-ACT	DATE	INITIAL	ACTION
ACT	AS	PGPA-SAT	_____	_____	_____
SAT	ASP	OFFER	_____	_____	_____
