Published: October 15, 2009

Last Updated: Monday, November 09, 2009 8:56 AM

Updates and changes to this printed schedule are available at <http://www.firelands.bgsu.edu/schedules/>. Please use the Class Search to obtain the latest information on class availability and information on course status (open/closed/wait list).

Entries for each course below are shaded to facilitate reading. Adjacent entries with the same shading are "components" of the same course and must be taken together.

Course descriptions can be found in the 2009-2010 BGSU Undergraduate Catalog available on-line at <http://www.bgsu.edu/catalog/>

BGSU Firelands has attempted to make the information in this schedule as accurate as possible. However, errors can occur unintentionally. Thus, this schedule should not be considered to be a contract with Bowling Green State University. All BGSU Firelands courses are offered contingent upon the availability of instructors, sufficiently high enrollment and similar considerations. The right is reserved to modify or withdraw class offerings at any time prior to the second class meeting.

M = Monday, T = Tuesday, W = Wednesday, R = Thursday, F = Friday, S = Saturday
