Entries for each course below are arranged by the course subject abbreviation and are shaded to facilitate reading. Adjacent entries with the same shading are "components" of the same course and must be taken together.

Day

M = Monday; T = Tuesday; W = Wednesday; R = Thursday; F = Friday; S = Saturday

Location

Classes listed on this special schedule are offered at the Firelands Regional Medical Center, South Campus located at 1912 Hayes Avenue, Sandusky, Ohio. Map and parking information for this location is available on the BGSU Firelands Schedules web page.

Additional classes that are offered as web-based or web-centric (both web and class meetings) are listed on this schedule for students interested in other flexible class offerings. Students should consult the BGSU Schedules web page for additional class offerings by BGSU Firelands.

Class cancellation and weather information

Information on cancellation of BGSU classes held at FRMC can best be obtained by viewing the BGSU Firelands web page at www.firelands.bgsu.edu. Cancellation information on BGSU classes at FRMC will not be broadcast on local radio or TV to avoid confusion on classes at other BGSU Firelands class locations.

BGSU Firelands has attempted to make the information in this schedule as accurate as possible. However, errors can occur unintentionally. Thus, this schedule should not be considered to be a contract with Bowling Green State University. All BGSU Firelands courses are offered contingent upon the availability of instructors, sufficiently high enrollment and similar considerations. The right is reserved to modify or withdraw class offerings at any time prior to the second class meeting.
