"Set the Stage!" is Caryl Crane Children's Theatre's new educational outreach program designed to offer children from the surrounding school districts the opportunity to see their first live theatrical show at no cost. The experience, which includes admission to an unabridged performance of each show in the 3CT 2012-2013 season, as well as educational and artistic interaction opportunities, will provide the initial theatre exposure a child needs to foster an interest and passion in the theatre arts for life.

Participating in “Set the Stage” is easy! Fill out the following application and mail it in to 3CT. Upon receipt of your application, you will receive participation confirmation, and will be mailed the first of our 2012-2013 Family Guides to coincide with each production you and your child will be attending this season, as well as your tickets for admission.

All applications must be received in writing and will be awarded on a first-come basis. Each show of the 2012-2013 season will participate in one non-public performance for the “Set the Stage” program, which will consist of study guide materials, a pre-show interactive workshop with the designers and production team, the unabridged performance, and a post-show discussion with the actors and director. If you are unable to attend your assigned performance, you must call 72 hours in advance to schedule for another performance of that production. Please contact 419.372.0642 for more information.
