Position Vacancy Announcement

CAREER AND ACADEMIC COUNSELOR
BGSU Firelands

Bowling Green State University

Position Summary
The Career and Academic Counselor is part of the broad team of professional academic advising staff at the University. The position will be responsible for providing academic advising to students who identify as undecided, or to students in declared majors who are considering other program options. The position will also provide advice regarding academic and career direction for current students and alumni in transition-changing majors, changing careers, preparing for internships, etc.

Under the direction of the immediate supervisor and in accordance with university academic strategies, the position will provide essential support and service to students and contribute to the university’s goals of promoting student learning, development, and success, as well as student persistence and retention. Additionally, this staff member will participate and assist with both university and college recruitment and retention efforts, serve on university, college, and community committees, and participate in university and college-specific training and development. Deadline to apply: November 9, 2018.

Essential Duties, Tasks and Responsibilities

Undecided and Exploring Student Advising
- Design and implement comprehensive career development/ planning programs to infuse career development in curricula and courses. As needed, train faculty and staff on career development and career pathways.
- Advise current students, prospective students, and alumni who identify as undecided or who are considering changing majors or programs. Provide assistance with career and academic direction through academic advising, career counseling, course planning, major selection, degree requirements, university policies and procedures, and registration procedures.
- Utilize current and emerging technology and available data to complete essential advising duties, processes, and communication with students to support and foster retention, persistence, and success (e.g. CSS/MyBGSU, EAB/SSC, successNET/early alert, DARS, Schedule Planner, Canvas, Query, Data Warehouse/STARS, etc.).
- Review student academic progress and performance and advise students on specific actions regarding academic and career goals.
- Refer students to appropriate BGSU and non-BGSU support offices and/or organizations as needed to support student success.
- May be responsible for advising a specific population/cohort of students, requiring additional specialized knowledge and skills. Additional college and/or academic program specific duties and responsibilities as assigned.
- Maintain and update student files and records in accordance with federal, state and university regulations.

Undecided and Exploring Student Services
- Develop an annual calendar of career events and activities. Represents unit at campus and community events.
- Provide job search assistance including resume and cover letter review and advice, mock interviews, and information on how and where to search for jobs.
- Provide outreach presentations and career-related workshops to local schools and businesses. Develop, coordinate, and conduct seminars and workshops on topics related to career, employment, academic and personal development.
- Create and execute events designed to help students select a major, explore career options, and find a job.
- May be responsible for developing programming efforts and intervention strategies for targeted and identified populations of at-risk students.
- Participate and/or assist in planning and implementing New Student Orientation, Welcome and other advising activities, as well other events on- and off-campus to advise prospective students of college specific requirements (Events may include Falcon Friday, Preview Day, Presidents’ Day, regional college events, etc., and other specialized events within a college/department. May include evenings and/or weekends).
