Women
In Science, Technology, Engineering & Math

7th & 8th Grade Program
Friday, November 17, 2017
BGSU Firelands
One University Drive, Huron, Ohio

Discover the exciting and rewarding careers available in science, technology, engineering and math!

Learn from enthusiastic and successful professionals who pursued a career in these fields. Students will learn why it is essential to take math and science courses now to prepare them for a career in one of these exciting professions.

Students attending this interactive program will:
- Have fun with hands-on activities
- Meet inspiring role models
- Learn about scientific careers

Supervision
Each group of students must be accompanied by a teacher or parent throughout the day, at a ratio of one adult per 10 students. Each adult must register and attend sessions.

Late Arrivals
Groups arriving late will not be allowed to enter an activity in progress. They will be able to join at the beginning of the next activity.

More Information
Additional information will be sent to the registered adults from each school.

Fee
$20 Students  $15 Adults
(includes lunch)
